News from the Grants Office

- **Idéutveckling med Drivhuset!** Har du undervisning denna termin eller kommande? Bra, då vill Drivhuset gärna komma till din klass, oavsett program! Drivhuset är en ideell organisation som finansieras av Södertörn och arbetar under SH innovation för att främja innovation och hjälpa studenter att utveckla sina idéer oavsett hur långt studenterna har kommit i utvecklingsprocessen. Boka in digitalt inspring på 3-10 min (ni bestämmer tid) med oss till er kurs för att vi ska kunna informera studenterna om vad det kan få hjälp med och att allt är kostnadsfritt! Ni bokar väldigt enkelt via länken: <https://calendly.com/drivhuset-inspring> Har ni projekt i kursen så kan vi hjälpa till med coaching av alla projekt och hålla föreläsningar i entreprenörskap på ca 45 min eller en längre workshop också. Ta gärna hjälp av oss som stöd i undervisningen! Kontakta Lucas.olsson@drivhuset.se för mer info.

- On November 12, 2020 arranged UniLink (collaborative association of universities) and Vetenskap & Allmänhet a digital konferens on Civic Universities and Public Engagement. With guests from Great Britain and Sweden, there's been a great discussion on how universities can strengthen their engagement with their local communities and become important regional hubs. A summary of the conferences can be found at V&A's website: <https://v-a.se/2020/11/strengthening-university-society-engagement-online-conference-sheds-light-on-inspiring-examples/>. If you would like to know more, please contact Erik: erik.falk@sh.se.
- On December 18, kl. 12-13 holds **SH Innovation** its first **stART talk!** The event aims to create a discussion channel taking an art event as its starting point with participants from various disciplines and subject fields to find new methods for a transdisciplinary meeting. You can read more about the art event here: <https://www.sh.se/nyheter/startside/2020-11-18-konst-i-undervisningen---ett-framgangsrecept> . For more information on how to join the discussion, please contact Anna: anna.kallblad@sh.se

Events in the pipeline (where we look forward to meet you)

- Brigitta presented Big Data – research relevant funding lines from the coming Horizon Europe research and innovation framework program of the EU at the research day of the School of Natural Sciences, Technology and Environmental Studies on November 25, with the same topic. For more info or to receive the presentation, contact grantsoffice@sh.se.
- Brigitta and Gabriela will present briefly on the research day of the School of Social Sciences on December 7.
- Gabriela will be also supporting various research days on department/subject field level, if you are interested to receive similar input and facilitation, please contact her directly or grantsoffice@sh.se.
- Nothing more in particular, but we have been now touring several Schools at Södertörn in various research seminars and workshops, and would be happy to join your research event / proposal development workshop if you are interested to gain some insights, tips or get detailed answers to questions regarding financing your research idea. Just let us know what you need.
