

Checklist for internal process – Application to the Wallenberg foundations (MAW/MMW)

Please read through this checklist carefully. Ensure that you meet all formal requirements and address the award criteria. You can find the formal requirements on the respective webpages: [MMW](#) or [MAW](#).

Important

Before submitting your pre-application, you must confirm the project with your Head of School. Send your pre-application no later than **8th of January 2026** to gabriela.voglio@sh.se, and make sure to cc your Head of School in the email.

Pre-application must include the following (in English):

- **Indicate whether you are applying to MMW or MAW**
- **A two-page summary of the project**, including:
 - Project title
 - Objectives
 - Methodology
 - Time schedule and brief description of activities
 - International comparison (state-of-the-art)
 - Expected results and impact
 - A description of how main applicant and any co-applicants contributes to the project
- **CV** – maximum one page in total (regardless of number of applicants)
- **Full cost budget** (fullkostnads kalkyl) – contact projetansokningar@sh.se no later than 5th of December for approval of full cost budget.
